here's what's happening on the channel!  
What's more, there's a top competition  
with loads of Cartoon Network goodies to be won!

## NEW TOONS

Another great new show that pushes  
the wacky factor to bursting point! Ned  
is just an ordinary nine-year-old boy

with a very special pet.  
He's a small blue newt  
that lives in a bowl,  
but sprinkle in some  
extra-special Zippo  
Newt Food and the  
tiny amphibian transforms into  
a big, blue 500lb creature called Newton,  
who can change into any size or shape!

## Momma's Day!

Don't you forget! April 2nd is Mother's Day  
and Cartoon Network bows down and worships  
at the feet of the long-suffering women  
who make sure all your favourite  
cartoons are present and correct  
- including the washing-up glove  
wielding one of a super-genius.  
Hmmm...wonder who that could be then?

## Fat Dog Mendoza

It's already started so you'd better be glued to your set for  
the adventures of this strange canine maverick as he  
investigates his local neighbourhood X. Where else can you  
find The Himalayas, Ancient Rome, The  
Family Fun Park and some dodgy Nuclear  
Testing Grounds in one town?
